

Energy Representations

ACE Winches	winches & marine deck machinery.
Aberdeen Drilling Consultants	comprehensive integrated rig inspection services.
Ancon	bar-XL rebar splicing couplers & threading equipment.
Balmoral	buoyancy, insulation & elastomer products.
Bardex	heavy load handling & positioning systems.
Bartec	explosion proof electrical equipment and lights, sirens and junction boxes.
BEL	subsea & surface valves, actuators & controls.
Booth	fire & blast resistant doors & wall systems.
Canmec	mechanical fabrication, installation & construction.
Carpenter & Paterson UK	spring hangers & pipe supports.
Contitech	drilling & production hoses & couplings, fluid handling.
Fendercare	marine equipment supply & service.
Firenor	fire protection systems.
Fireseal	deck & wall penetration sealants.
First Marine Solutions	mooring solutions.
Flo-Code	pipeline identification.
Fluorocarbon	PTFE skidways & slide bearings.
Framo	fire pumps, cargo pumps, seawater and crude oil pumps.
Hydrobolt	fasteners.
Hyspan	expansion, ball & swivel joints.
Identec	wireless technology, POB systems.
Jotun	marine & protective coatings.
KOCH Engineered Solutions	flares, process burners & vapour control systems.
Loterios/Balcke Durr	heat transfer & process solutions.
M&O Partners	sales development for suppliers in the maritime and offshore industry.
Marubeni Itochu	line pipe, specialty pipe, high strain & clad pipe.
Metec	cathodic protection systems.

Metool	drag chain assemblies.
Øglænd System / HILTI	cable tray, cable ladders & support systems.
Offspring International	offshore moorings, chains, hawsers & tow ropes.
Parker	Parker Store, hydraulics, fluid connectors, automation & Polyflex.
Pumpcrete	concrete pumping systems & equipment.
Quaker Houghton	fluids technology.
RBV Energy	skid mounted packages, manifolds and special products.
Scan Tech AS	air compressors, steam generators, rig cooling equipment.
Sferova	ball valves.
Strain Stall	load cell, stress and strain monitoring equipment.
Stenca	pipe/tank insulation.
Tomoe Valve Co.	high performance butterfly valves.
WME	a membrane technology company.
